## PROFILE

Highly motivated and dedicated front-end developer with one and half years of experience, seeking to leverage my skills in creating intuitive and visually appealing web applications. I am passionate about delivering exceptional user experiences through innovative design and clean, efficient code.

## EMPLOYMENT HISTORY

**Frontend Developer at Agiledrop d.o.o, Ljubljana**  
March 2022 — July 2023

- Collaborated with an international team of developers and designers to build responsive web applications.
- Developed and implemented user interface components using HTML, CSS, and JavaScript.
- Implemented responsive design techniques to ensure optimal performance across various devices and screen sizes.
- Conducted thorough testing and debugging to ensure the highest level of quality and performance.
- Worked closely with the backend development team to integrate frontend components with server-side logic.
- Participated in code reviews to maintain code quality and ensure best practices.
- Assisted in optimizing website performance by analyzing and addressing performance bottlenecks.
- Collaborated with the UX/UI team to translate wireframes and mockups into functional web interfaces.
- Stayed updated with the latest web technologies and industry trends to suggest improvements and implement new features.

## EDUCATION

**High school diploma, CDI Univerzum, Ljubljana, Slovenia**  
September 2010 — October 2013
